

OEMU-241 E-Grass Cutter

OEMU-241 E-Grass Cutter is Green products.
Low noise, High efficiency BLDC Motor, Lower vibration.
Use Lithium Battery. Save Fuel cost.
Long working-hour, without diesel fuel,
Pollution free.
Strict quality control.

R.O.C. Patent No. I293219
U.S Patent No. 7,352,546 B 2

Lower vibration, easy to use, long working hours, save fuel, no fume, healthy and protect the environment

Gravity Balanced Design

BLDC Motor

Intelegent Bldc Motordriver, Energy Saving, More Safty

Multi

Many kinds of accessory can be change. According with working-demand.

150W

150W High Efficacy BLDC

OEMU-241

E-Grass Cutter OEMU-241

Diversity Of Optional
Accessories

E-Grass Cutter	OEMU-241
Bldc Motor	150w High Efficiency Motor
Battery	36V Lithium Battery
Battery Capacity	5 Ah
Charging Time	Normal 3~4 hrs / Speed 2.5 hrs
Charging Protection	Microcomputer Over Charge Protection
Working	String Blade:1~2.5 hrs/ Metal Blade:2~3 hrs
Main Body	JIS H4080 8601 24mm Ai
Size	1860x170x160mm
Weight	5 kg
Safety Swith	Yes
Low-battery Display	Yes
Power Scoure Protection	MCU Control
Weight Balance	Yes
Recycle Green Materials	Whole Machine
Operation Noise	<65db
Cutter Blade Change	Yes
Three-speed Change	Yes
