

OEMU-361 E-Grass Cutter

OEMU-361 E-Grass Cutter is Green products.
Low noise, High efficiency BLDC Motor, Lower vibration.
Use Lithium Battery. Save Fuel cost.
Long working-hour, without diesel fuel,
Pollution free.
Strict quality control.

R.O.C. Patent No. I293219
U.S Patent No. 7,352,546 B 2

Lower vibration, easy to use, long working hours, save fuel, no fume, healthy and protect the environment

Gravity Balanced Design

BLDC Motor

Intelegant Bldc Motordriver, Energy Saving, More Safty

Multi

Many kinds of accessory can be change. According with working-demand.

400W

400W High Efficacy BLDC

E-Grass Cutter	OEMU-361
Bldc Motor	400w High Efficiency Motor
Battery	36V Lithium Battery
Battery Capacity	10 Ah
Charging Time	Normal 3~4 hrs / Speed 2.5 hrs
Charging Protection	Microcomputer Over Charge Protection
Working	String Blade:3~3.5 hrs/ Metal Blade:3~4 hrs
Main Body	JIS H4080 8601 24mm Ai
Size	1860x210x160mm
Weight	6.5kg
Safety Swith	Yes
Low-battery Display	Yes
Power Scoure Protection	MCU Control
Weight Balance	Yes
Recycle Green Materials	Whole Machine
Operation Noise	<75db
Cutter Blade Change	Yes
Three-speed Change	Yes
